

Dyna –K Automotive Stampings Pvt. Ltd.

EMS POLICY

We, Dyna-K Automotive Stampings Pvt. Ltd. are engaged in manufacturing of Sheet Metal Components & Welded Sub-assemblies. As a company we are committed to protecting the environment and ensure sustainable development for working under the guiding principles of Environment Management System.

To minimise environmental impacts concerning our activities, products and services, we shall:-

- Adopt eco-friendly practices and technology for clean and safe operations.
- Bring awareness on relevant aspects amongst the Stake-Holders and the Community at large.
- Comply with applicable legal requirements and other requirements to which the Company subscribes, which relate to its environmental aspects.
- Aim to prevent pollution, reduce waste and minimise the consumption of resources by managing our Materials & Processes.
- Educate, train and motivate employees, to carry out tasks in an environmentally responsible manner.
- Encourage environmental protection among suppliers and subcontractors.

Dyna-K is committed to continual improvement of Objectives, targets of EMS & environmental performance.

This Policy will be communicated to all interested parties, and be made available for the public on Dyna-K website.
